

Information on data protection for participants in the conference "Quantum Metrology and Physics beyond the Standard Model".

The Quest Leibniz Forschungsschule at Leibniz Universität Hannover (LUH) attaches great importance to the security of your data. Therefore we would like to inform you here about data protection with regard to participation in our events and at the same time assure you that all relevant legal provisions, in particular the EU General Data Protection Regulation (GDPR), are respected.

Duty to inform pursuant to Art. 13 GDPR

Purpose of data processing

Your data will be processed by Quest Leibniz Research School for the purpose of organizing and conducting the conference "Quantum Metrology and Physics beyond the Standard Model". The

submitted abstracts will be published in a programme booklet. The programme will be published on the website and will be made available to the participants as a print version.

Legal basis of data processing

The legal basis for the data processing of the mandatory data in the registration form is Art. 6 Para. 1 b) of the GDPR. In addition, further optional data may be entered voluntarily in the registration form. The legal basis for the data processing of the optional data is the consent pursuant to Art. 6 para. 1 lit. a) GDPR and Art. 9 para 2 lit. a) GDPR for processing special categories of personal data (e.g. health data).

Obligation to provide data

You are not obliged to provide such information, but participation in the event is only possible if you provide us with the required data, which is referred to as mandatory information. The communication of further optional data is not necessary and is voluntary.

Withdrawal of consent

You may withdraw your consent to the processing of optional data pursuant to Art. 6 para. 1 lit. a) GDPR at any time with effect for the future. In this case, we will no longer process this data and delete it. The withdrawal of consent shall not affect the lawfulness of processing based on consent before its withdrawal.

Storage period

We process your data for as long as is necessary for the planning and concluding execution of the event or due to applicable legal provisions such as the obligation to retain invoice documents. Should you wish your data to be deleted, we will delete your data immediately, unless there are legal obligations to retain it.

Categories of personal data processed

- salutation
- title
- first name
- name
- institution and address
- email address
- title and summary of the contribution
- special meal requests
- requests to participate in programme sections

Recipient of personal data

- Staff members of the Quest Leibniz Research School entrusted with the organisation of the event (address see above)
- The conference organisation team: Carsten Klempt, Klemens Hammerer, Tanja Mehlstäubler, Piet Schmidt

Your rights

You have the following rights with regard to your personal data (pursuant to Art. 15 to 21 GDPR):

- Right of access, at any time and free of charge
- Right to rectification and completion
- Right to erasure
- Right to restrict processing
- Right to data portability / right to receive a copy

You also have the right to object to data processing at any time. We will then no longer process your data unless there are compelling reasons worthy of protection for the processing or the processing serves the assertion, exercise or defence of legal claims.

Right of appeal

You also have the right to complain to the supervisory authority if you believe that the processing of your personal data is in breach of the law.

Responsible supervision authority:

The State Commissioner for Data Protection in Lower Saxony

Prinzenstr. 5

30159 Hannover, Germany
